## What's New at the 66<sup>th</sup> Genoa International Boat Show

Made entirely from **teak**, this unique **dog bed** is presented by **Valdenassi**, the company founded in 1999 by **Emanuele Maria Valdenassi** and specialising in the supply of **teak deck chairs**. And indeed, Tommy is made 100% of teak: a dog bed conceived, designed and **manufactured entirely in Italy**, available in **any size**, complete with a **cushion** featuring a **hypoallergenic, water-resistant cover**.

The **first prototype** will be entered into the **Design Innovation Award 2026** and will be presented to the public as a **world premiere**.
